

**FELLOW  
GEORGIANS  
WE HAVE BEEN  
SOLD OUT!**

**LETS "BOOT"! ANTI-SOUTHERN  
LEE HOWELL - House Rep - Dist. 126**

**In 2003 (House Bill 380):** After Ex-Governor Roy Barnes changed Georgia's 1956 Veterans Memorial State Flag honoring our Southern Heroes and Heritage, Lee Howell voted to instate yet another State Flag without any input from Georgians. Lee Howell voted for a State Flag Referendum that did not include the 1956 Veterans Memorial Flag that was stolen from Georgia.

Lee Howell has a consistent and proven anti-Southern voting record. He has shown that he takes his marching orders from big business interests in the City of Atlanta, instead of from the good people in his district.

*What's next on Lee Howell's politically correct liberal agenda? Stone Mountain? (see HB899)*

**Please remember Anti-Southern Lee Howell on Nov. 2nd**
